## THANK YOU for collaborating with an

## Early Childhood Education BLOCK C intern

## Intern Description:

Interns taking Block C courses are typically seniors, and are in their third semester and final year of the Professional Teacher Education Program. They are in the first phase of their 100-Day Extensive Internship, which is referred to as Internship I. Mentor teachers need to be tenured to work with interns in Block C courses, and should be teaching math, science, and social studies in the primary grades.
